For, C.G. Institute of Nursing

JMV foundation india Dreams, big or small, define And carve your character. Your dreams are the Plan, your blueprint to achieving your goals. I am a Thane girl, born and brought up. We are a nuclear Family of five;And is the family's sole breadwinner. Receiving the scholarship from JMV Foundation Reduced a lot of financial pressure on my family. We Live in a chawl where people never sleep or stop Fighting, and their kids never stop playing and Making noises outside their houses. In such Scenarios concentrating on your studies become Extremely difficult, but I also don't have a choice As I can't stay back after college and have to leave.

I am a 2nd-year Nursing student at C.G. INSTITUTE OF NURSING Bilaspur (C.G). I want to become a Successful & well-skilled Nursing college to justify my love for medical courier. I was preparing for My study since high school and cleared on my first Attempt with a good score which also helped me With my Nursing entrance exams.

I love singing and playing sports and am a District-level Kho-Kho player. My father is dead before 12 year and my mother is No to any of our demands if we did, but still, Knowing the family's economic condition, we Always had to limit our desires. After I complete my Education, I want to get a good job and save Enough to buy a new house for my family.
